The Senate met at 10:00 o'clock a. m., and was called to order by the President Pro Tempore.

Leaves of Absence Granted

Senator Hill was granted leave of absence for today on account of important business, on motion of Senator Smith.

Senator Chadick was granted leave of absence for today on account of important business, on motion of Senator Mauritz.

Honoring Mrs. Coke R. Stevenson and Hon. Bob Barker

Senator Lanning, by unanimous consent, offered at this time the following resolution:

(Senate Resolution 147)

Whereas, The Senate officers and employees have recently bestowed surprises on Mrs. Coke R. Stevenson, wife of our beloved presiding officer, Lieutenant-Governor Coke Stevenson, and Bob Barker, Secretary of the Senate, by presenting

each with a beautiful hand painted portrait; and

Whereas, These two lovable characters have endeared themselves to every employee, as well as every member of this Senate; and

Whereas, The Senate of Texas believes in "Flowers for the Living," and that by so doing we will honor at this time these two friends of the Senate by placing on display in the Senate Chamber these two portraits of these distinguished members of the Senate family; now, therefore be it

Resolved, by the Senate of Texas, That these two portraits be permitted to hang in the Senate Chamber until the 47th Legislature adjourns, and that a certified copy of this resolution be transmitted to Mrs. Coke Stevenson and Bob Barker.

Signed: Aikin, Beck, Brownlee, Chadick, Cotten, Fain, Formby, Graves, Hazlewood, Hill, Isbell, Kelley, Lanning, Lemens, Lovelady, Martin, Mauritz, Metcalfe, Moffett, Moore, Ramsey, Shivers, Smith, Spears, Stone, Sulak, Van Zandt, Vick, Weinert, Winfield, York.

At the request of President Pro Tempore Cotten, the resolution was read by Senator Lanning.

By unanimous consent, the resolution was considered immediately and the names of all Senators were added to it as signers thereof.

During the consideration of the resolution, Mrs. Coke R. Stevenson and Lieutenant-Governor Stevenson, Mr. Bob Barker, Secretary of the Senate, and his daughter, Mrs. Lillian B. Jones, were seated within the bar of the Senate in front of the President's desk.

Senator Lanning, having been recognized by the President Pro Tempore, spoke as follows:

Mr. President and Members of the Senate and Mrs. Stevenson:

I consider it a privilege to offer this resolution and to ask for its adoption by the Members of the Senate.

I have known the Stevensons for a number of years and I served in the House with them for seven years. It has been my pleasure also to know this charming lady whose portrait is being presented today. This portrait, as beautiful as it is, can never reveal the beauty and charm of this good woman, as we know her. Her

charming personality, her winning smiles and her cheerful words always spread a ray of sunshine to all those with whom she comes into contact.

Just the privilege of knowing her has been one of the greatest privileges of my life. In honoring her, we are honoring a lovely lady who gives strength and guidance to all those around her. She has endeared herself to every member of the Senate, the employees and the officers.

I value my association with such a fine and noble lady, and I am happy to have had a part in honoring two such distinguished people as Mrs. Stevenson and Bob Barker.

Senator Smith, having been recognized by the President Pro Tempore, spoke as follows:

Mr. President:

Further words with reference to this resolution would be superfluous. I desire, however, to express my concurrence in the sentiments which it expresses and in the most appropriate statements of the Senator from Jack.

From time immemorial civilized man has treasured the memorials of those men and women who have rendered conspicuous service to their generation in the field of political, social, and economic endeavor. In this historic chamber the shadows of those great men and women of the past look down upon us today as an evidence of the high regard in which they were held because of their splendid contributions to our state.

But few men in the history of state-craft in Texas have had a more interesting career than our distinguished Secretary Bob Barker. His services in this chamber and in the House have been of a type and character to impress his value of the State he has served so well.

I was thinking this morning since my attention was called to this ceremony of the memories that come trooping to his mind as he reflects over the Legislatures he has seen and helped to function. Every Governor during that long period have been his close acquaintance and the number of members of both Houses he has known run into the thousands. Bob, we are glad to honor you.

Behind every great man is the gentle but persuasive influence of a

strong and gracious woman. Man's noblest achievements have been inspired by some mother, sister, sweetheart, or wife.

We all admire Coke Stevenson for his qualities of character and the high order of his achievements, and, yet, we know that behind this stalwart man is the grace and charm, the affection and inspiration of this lovely and charming wife. Napoleon had his Josephine, George Washington his Martha, Sam Houston his Margaret, and Coke Stevenson has his Faye.

Mrs. Stevenson, without in any sense detracting from the honors due your distinguished husband, we convey to you our sincere gratitude for the gracious influence you have had upon his life, and for the contribution you have thus made to the pride and glory of this State. No better testimony of our regard and esteem could be made than to grace this hall with this beautiful likeness of yourself as the evidence of that regard and esteem.

Senator Brownlee, having been recognized by the President Pro Tempore, spoke as follows:

Mr. President: I can only wish that I were gifted in oratory and the use of the English language as are the two distinguished Senators, the Senator from Jacksboro and the Senator from Throckmorton, who have just preceded me. I wish to add my heartfelt approval of what they have said, and the sentiments expressed by them, together with the wording of the resolution, which could not be improved on by me.

However, no artist is good enough to portray the sweetness, the beauty and the character that is always shown in the face of Mrs. Stevenson, and no artist is bad enough that he could not flatter the face of our good friend, Bob Barker. As to Bob, I want to say that I am now breaking the rule that I have had since I have been in the Senate, and that is not to pledge myself in advance on a vote, but I now break that rule in favor of our beloved Bob by saying that I now pledge myself to vote for his retention as Secretary of our body as long as I am in the Senate and as long as he lives.

As to Mrs. Stevenson, I want to repeat a little verse which I, as a col-

lege student, wrote some thirty years ago:

Back in a vanished country,
There was an old swinging gate.
Through the golden summer sun-
shine,

A girl had come to wait.

Her hair was like the sundrift
From the heart of summer skies
And the blue of God's wide heaven
Crowned the splendor of her eyes;
And it is queer, that, turning gray,
Still a fellow looks away
To a girl he knows has vanished
Down the path of yesterday.

Back in a vanished country,
There is a dream that used to be
Of fame within the city

And a name across the sea,
A dream of laurel wreathings
That came singing through the
light,

The story of the glory
And of the victor in the fight,
And it's queer, that turning gray
Still a fellow looks away
To a dream he knows has vanished
Down the path of yesterday.

And I am happy this morning that
Coke can look back over the years
and appreciate that girl who is now
turning gray, and that the dream
that he and Fay have had is now
coming true, and I am happy to say
these few words in honor of the next
First Lady of Texas.

Senator Mauritz, having been recog-
nized by the President Pro Tempore,
spoke as follows:

Mr. President: I had no advance
knowledge of this ceremony and, as
you know, I am rather lacking in
words to express my thoughts or feel-
ings, but I have been sitting here
looking at that portrait and looking
at Mrs. Stevenson. In my opinion, she
is one of the finest women it has been
my privilege to come in contact with
or to know. (I use the word "woman"
because in this country it is much
better than "lady.")

The portrait is beautiful and por-
trays her physical beauty, but it does
not and can not portray the finer
things of herself and her life. Physical
beauty is much to be desired, but it
would be naught unless it were sup-
ported by her mental beauty, her
brilliance of mind. But more at-
tractive than both of these is her
beauty of character. The countenance
is the index to the soul. In hers is

reflected those soul qualities, those
divine attributes of faith, of hope,
of charity, and of love. When she suc-
ceeds to the position of First Lady of
this great State, and I hope it will be
soon, in my estimation she will be one
of the loveliest, one of the finest
and one of the most gracious
women ever to have presided in that
stately white Mansion of Texas.

President Pro Tempore Cotten then
spoke as follows:

In honoring Mrs. Stevenson and
Bob Barker, I deem it a privilege
to offer in my humble way, a few
words to what has already been said.

To know Mrs. Stevenson is to love
her, for she is indeed, a most charm-
ing Southern lady. Her every ges-
ture reflects her gracious and ad-
mirable traits. A ray of sunshine, a
sense of happiness and a true love
of friendship are in her every smile.
Among other things she possesses a
most charming personality. She al-
ways has a word of cheer for her
friends, not only the elite and soph-
isticated, but to all with whom she
comes in contact. Hers is the demo-
cratic spirit—she has no favorites,
but loves all humanity. I am most
happy to have had the privilege of
knowing such a fine and gracious
lady. Every one knows that we all
love Coke and think he is blessed
with having such a lovely wife.

As for old Bob Barker—I shall
never forget when he wrote to me
and asked that I vote for him as
Secretary of the Senate; and when
I received his letter, I wrote back
and told him that I was surprised
to have him ask for my vote, for
surely he must know that I was his
campaign manager. I still hold one
thing against him though, for until
he came along, I was champion
horse-shoe pitcher in Cayuga, and
he is the only man that I have ever
known that could beat me. I can't
quite forgive him for that. But, in
spite of this, I want you, Bob, to
know, that I shall always vote AYE
for you so long as I serve for this
grand old state of ours, and even
long after I am gone from here, I
will still be voting for you.

Let me say again that I am happy
to have had a part in honoring these
two fine American people.

Question then recurring on the re-
solution, it was adopted unanimously.

On motion of Senator Spears, the
foregoing addresses by Senators

Lanning, Smith, Brownlee and Mauritz and President Pro Tempore Cotten were ordered printed in the Journal.

Mrs. Stevenson and Mr. Bob Barker then addressed the Senate and its officers and employees and expressed their appreciation for the paintings and for the adoption of the resolution by the Senate.

Mr. Barker spoke as follows:

Mr. President: Members of the Senate, Officers and Employees of the Forty-seventh Senate: This is indeed a surprise—one that has completely captured me. I am deeply appreciative of your generosity and it reaches into the depths of my heart. I have been here a long time, and by this act of yours, you have placed me under lasting obligations. You will never know what it means to me after all these years to be thus honored by having by name associated with that of Mrs. Coke Stevenson, for we all love and revere her. I have been here a long time in point of service but only a short while as the mind works. "Evil things come quickly, the good things come slowly," and this is the best that has come to me in all the years of my legislative life.

To each of you, I want to say that I do not want you to ever hesitate to call on me. It has been a pleasure to have been associated with you and I shall never forget you.

Mrs. Stevenson spoke as follows:

Mr. President, Members and Employees of the Senate:

I would like to feel that I merit the lovely things said and done for me this day. And were I a living Demosthenese as these Senators who have spoken I might be able to express in words my gratitude to you. But in spite of all the wonderful things you have just heard said of me, I am only human, so I can only say in a human way, from the bottom of my heart, I thank you.

Life is a story in volumes three
We have the Past, the Present and the Yet-to-be.

The Past is finished and laid away
The Present we are reading day-by-day.

The third and last of the volumes three

Is hidden from sight, God keeping the key.

And even though I know not how the yet-to-be of my life may read, this one thing I know is certain:—The memory of my happy association here with you will brighten many hours and the sound of your cheery "Good morning, how are you?—I am glad to see you out today" will linger with me as long as life shall last. For, after all—

It's the human touch in this world that counts,

The touch of your hand and mine,
That means far more to the fainting heart

Than shelter or bread or wine
For shelter is gone—when the night is o'er

And bread lasts only a day—
But the touch of your hand and the sound of your voice

[With the many lovely things you've done for me]

Will sing on in my soul away.

Again I thank you.

On the Part of the House.

H. B. No. 405, A bill to be entitled "An Act amending the "Lower Colorado River Authority Act", Chapter 7, Acts of the Fourth Called Session of the Forty-fourth Legislature, by adding thereto a new section following Section 3 to be known as Section 3a to provide that every director appointed to the Board of Directors of the Lower Colorado River Authority shall be a resident of and freehold property tax payer of the county from which he is appointed and shall have been such resident of and freehold property tax payer in such county for not less than two (2) years next preceding such appointment; providing that not more than one (1) of such directors shall be residents of the same county and that all such directors shall be appointed by the Governor with the advice and consent of the Senate; providing further that of the board of nine (9) directors, provided for in Section 3 of said Act, at least six (6) of said directors shall at all times be resident citizens of the counties named in Section 1 of said Act; providing that present directors may continue in office until their terms expire, and shall be eligible for reappointment; and declaring an emergency."

Be It Enacted By The Legislature of The State of Texas:

Section 1. That Chapter 7 of the Acts of the Fourth Called Session of the Forty-third Legislature, known and cited as the "Lower Colorado River Authority Act" be and the same is hereby amended by adding thereto a new section following Section 3 to be known as Section 3a and to read as follows:

Sec. 3a. From and after the effective date of this Act, every director appointed to the Board of Directors of the Lower Colorado River Authority shall be a resident of and freehold property tax payer of the county from which he is appointed and shall have been such resident of and freehold property tax payer in said county for not less than two (2) years next preceding such appointment; providing that not more than one (1) of such directors shall be resident of the same county and all such directors shall be appointed by the Governor with the advice and consent of the Senate; provided that of the Board of nine (9) directors provided for in Section 3 of this Act, at least six (6) of said directors shall at all times be resident citizens of the counties named in Section 1 of the "Lower Colorado River Act."

Sec. 2. That Section 7 of the Acts of the Fourth Called Session of the Forty-third Legislature, known and cited as the "Lower Colorado River Authority Act" be and the same is hereby amended by adding at the end of the first sentence of Section 3 of said Act the following:

"Provided that at all times at least six (6) of the nine (9) directors comprising the Board shall be resident citizens of the counties named in this Act."

Sec. 3. It is expressly provided, however, that nothing herein shall be construed to prevent the present membership of the Board of Directors of the Lower Colorado River Authority from continuing as such until the expiration of their respective terms of office, or affect the eligibility of the present members from reappointment.

Sec. 4. The fact that under the present law the Directors of the Lower Colorado River Authority may be appointed from any county in the State, and the fact that many counties in the State are not situated

within the watershed of the Colorado River, or adjacent to the Colorado River, and the fact that it is desirable that a majority of the Directors of the Authority be residents of such district and be appointed by the Governor with the advice and consent of the Senate, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each House be suspended, and said rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

On motion of Senator Brownlee, the report was adopted.

Message from the Governor

The President Pro Tempore laid before the Senate and had read the following message from the Governor:

May 21, 1941.

To The Members of the Forty-seventh Legislature:

The widespread publicity given to the terrible booze conditions adjacent to our Texas Training Camps caused by the House of Representatives overriding my veto on an emergency liquor enforcement appropriation has aroused and alarmed the mothers

throughout the Nation who have their sons in training camps here in Texas. The letters pouring in to me from mothers who listen to my regular weekly radio broadcasts dedicated to the boys in training camps are touching. These anxious mothers love their boys and it has been a great sacrifice for them to give up their sons, and they now have the additional worry of hearing that terrible booze conditions surround them. Of course, most of these letters come from mothers in dry sections, and they are proud to think that they have put in so many years of their lives rearing their sons in dry sections, where they have been relatively free from the environment of the liquor evils; and then they were so proud to see their fine sons march off to train for the defense and preservation of our Nation, and now this alarming news comes to them that the booze conditions surrounding our Texas Training Camps are so deplorable that one hundred members of the Texas House of Representatives have voted to appropriate the sum of Thirty-four Thousand, Eight Hundred (\$34,800.00) Dollars in a desperate effort to try and control the deplorable booze conditions.

For some time I have realized that the booze conditions around our Texas Training Camps were becoming so demoralizing at such a rapid rate, that no mere emergency appropriation of money could possibly stop the evil, and before I vetoed the appropriation I was working on a bill that would definitely put an end to these deplorable conditions. The bill which is attached hereto is patterned after one enacted by the Texas Legislature in 1918, when almost identical conditions prevailed, and as it solved the problem then, so should it solve the problem now much more effectively, and at considerable less expense than the appropriation the House of Representatives has passed over my veto.

It does not seem fair to me to see these splendid young men make the great sacrifices they are making to defend this Nation, and then come to Texas and be subjected to living close to such deplorable conditions as has been described to this Legislature by men who are supposed to know what the conditions are, and especially is this unfair to the splendid young men who have been born and raised in dry territory where such condi-

tions do not prevail. It appears to me that this State of Texas should cooperate with the Federal Administration while it is bending every effort to train and equip an army of clear-thinking and clean-living young men to defend our Democracy, and the best way for us to cooperate, in my opinion, is to completely eliminate all liquor for a distance of at least ten miles around every Camp in Texas, instead of merely trying to control the booze traffic, in those areas.

In this time of National stress I feel that we owe a greater debt to these fine young soldiers, and their devoted mothers, than we owe to the big wealthy booze-dealing gang that would sell our Democracy down the river in America just like they did in France, merely for the profit they are trying to wring from our soldier boys.

I am glad this matter has taken the course it has, because it proves that the number of members of the House of Representatives who really want to wipe out this evil, is constantly increasing, as there are now one hundred members who want these conditions corrected. I trust you will agree with me that the most effective and economical way to correct these conditions is to pass this bill attached, which I am submitting as an emergency matter, and urging its immediate enactment.

Respectfully submitted,
W. LEE O'DANIEL,
Governor of Texas.

Property to permit these transfers there are hereby appropriated out of the General Revenue Fund to the said respective available funds as appear due to said funds Fourteen Thousand Three Hundred Fifty (\$14,350.00) Dollars for interest accruing in the fiscal year ending August 31, 1942, and for the same purpose the sum of Fourteen Thousand Three Hundred Fifty (\$14,350.00) Dollars for interest accruing in the fiscal year ending August 31, 1943.

Section 3. The expenditure of the appropriations herein made shall be subject to the following provisions:

Annual Reports. (a) A report shall be made annually by the superintendent or head of each institution and filed with the State Comptroller and a copy with the Board of Control before November the first after the close of each fiscal year, giving an itemized statement of all moneys expended and the particular appropriations or fund from which said money was expended, including an itemized statement of all purchases or outstanding contracts remaining unpaid at the close of the fiscal year; also a statement showing the full amount of money received from all sources and any balances.

(b) The head of each institution or agency shall keep a record of the absences of the various employees, the reasons therefor, whether from sickness, vacation or leave of absence and incorporate this information in the institution's regular annual report made to the Board of Control.

Printing and Stationery. All printing and stationery shall be purchased through the Board of Control and shall be confined to such articles and qualities as selected and contracted for by said Board, except certain printing provided by law to be done by several of the State institutions. No embossed or engraved printing and stationery shall be purchased.

Postage Stamps. None of the money appropriated herein for postage stamps shall be spent except on warrants or checks made payable to a United States Post Office and the warrant or check shall be endorsed by the Postmaster from whom the purchase is made.

If the expenditures for postage stamps exceed Twelve Hundred (\$1,200.00) Dollars for any one year, each institution shall install a Postage Meter machine. The installation cost and rental of said machine shall be paid from the support and maintenance fund of each institution.

Vacation Allowance. Vacation of not exceeding twelve (12) working days may be allowed all of the twelve-month officers and employees provided for in this Act.

Fireproof Buildings. All authorized new buildings costing more than Ten Thousand (\$10,000.00) Dollars shall be of fireproof construction except as otherwise provided.

Traveling Expenses. None of these appropriations may be used for traveling outside of the State of Texas without the advance written consent of the State Board of Control, except in adjoining states in deporting non-resident inmates and return escaped inmates to institutions. Otherwise, the State Comptroller shall apply the same rules to the approval and payment of traveling expenses of all employees except the superintendents of the eleemosynary institutions as he applies to such expenses of the State departments. Superintendents' trips shall be as authorized by the Board of Control.

Except as herein otherwise provided, no money shall be expended for travel expenses except that specifically appropriated for said purpose; provided this limitation shall not apply to travel and transportation expenses of patients, inmates and Alabama-Coushatti Indians, of Indian Reservation and Institutional employees' travel in connection with patients, inmates, pupils and Alabama-Coushatti Indians, including returning escapes, transfers, paroles, and placements of inmates and parents and transportation and travel expense of conveying Indians to and from United States Indian hospitals in Oklahoma and other hospitals or clinics in Texas, of Board of Control employees whose salaries are paid from institutional funds, and of institutional superintendents and the Indian Agent, wherein specific amounts are omitted from the itemized appropriations; and such travel and transportation expenses may be paid from support and maintenance appropriations and/or local institutional funds.

Unless otherwise specifically provided herein, it is provided that any officer or employee who travels on official State business and who uses his own car while so doing shall be reimbursed for the use of said car on the basis of the total mileage traveled during any calendar month at the following rate: five (5c) cents a mile for the first thousand miles traveled, four (4c) cents a mile for the second thousand miles traveled, three (3c) cents a mile for the third thousand miles traveled, and two (2c) cents a mile for each mile traveled in excess of three thousand miles. Before the Comptroller shall issue any such warrant for reimbursement the said officer or employee shall file an affidavit with the Comptroller showing the point of origin and the point of destination of his trip and the mileage actually traveled. If the Comptroller is of the opinion that said officer or employee did not take the shortest practical route to the point of destination and return the Comptroller shall have the authority to compute the mileage of the shortest practical route between the point of origin and destination and return, and he shall issue his warrant in reimbursement thereof on the basis aforesaid.

Additional Employees' Compensation. When a necessity exists for additional help at any of the eleemosynary institutions the Board of Control shall first give to the superintendent its written approval and consent for such employment, and such help may be paid out of any local institutional receipts, including pay-patient funds, or out of support, maintenance, repair and improvement appropriations. When any additional employees, other than those for which specific salary appropriations have herein been made are employed, and are to be paid out of said non-salary appropriations or any other funds, such employees shall not be paid larger amounts

than those provided in the specifically appropriated salaries for similar positions in such institutions or agency, and in the event there are no similar positions within such institutions, then such additional employees shall not be paid larger amounts than those provided for similar positions in other State institutions, departments or agencies. In the event laborers, skilled laborers and mechanics cannot be obtained at the above mentioned salary scale, then the heads of such institutions may pay for temporary employment only not exceeding the prevailing wage scale paid in the localities where the temporary service is to be rendered. No additional employees may be hired without the written consent of the Board of Control.

Audits. None of the appropriations herein made shall be used for employing any firm, corporation or person, excepting persons regularly and continuously employed by the institutions or the State Board of Control, to audit said institutions and agencies; provided, however, that if, in the judgment of the head of managing officers of any of said institutions or agencies, additional auditing is necessary and the State Auditor shall not have sufficient funds in his appropriation to make such audits, then the head or managing officers of any of said institutions or agencies may direct the State Comptroller to transfer in lump sum and add to the appropriation made for the State Auditor the amount necessary for the State Auditor to make such audits.

Tuberculosis Sanitoria. None of the money herein appropriated for the State Tuberculosis Sanitoria shall be used to treat any person who has not been a resident bona fide citizen of Texas for at least three (3) years; this provision shall not apply to any child born in the State of Texas.

Prerequisites of Employees. (a) When it is provided that the family of a superintendent, officer, or employee of any of the said institutions, are permitted to live at said institution, and are to be furnished with board, fuel, lights, laundry, water, housing, or any of said items, the word "family" shall be construed to mean the immediate family of said superintendent, officer, or employee, including himself, wife and legally dependent children; and when any officer or employee is to be furnished with provisions not to exceed some certain amount stated, it shall be the duty of the storekeeper-accountant to charge said officer or employee with each item of provisions as furnished him, showing the price thereof; said storekeeper shall not permit the amount authorized to be exceeded, and shall make a monthly report of same to the Board of Control, and said Board of Control shall be charged with the duty of seeing that no account for such provisions exceeds the amount allowed therefor. The Board of Control may authorize one of the cooks provided in the Acts to be assigned to the Superintendent's quarters.

(b) Under written direction of the Board of Control all employees may receive board, room and laundry, except when otherwise limited.

(c) In these appropriations the Legislature has provided a fairly uniform scale of salaries for similar services throughout the institutions without, however, differentiating in the amounts to be paid employees receiving, and those not receiving room, board and laundry from the State; and to prevent inequalities in salaries to those employees not receiving any or all of such prerequisites it is provided that the Superintendent, upon the written approval of the Board of Control may adjust such employees' salaries out of the respective support and maintenance appropriations by not exceeding Twelve (\$12.00) Dollars per month each. More easily to adjust such items proper transfers from support and maintenance to salary appropriations may be made annually or more often.

Salaries and Other General Provisions. (a) All annual salaries shall be paid in twelve (12) equal monthly installments except as otherwise herein provided.

(b) If any position for which a salary is herein fixed shall not be filled then such salary shall lapse into the State Treasury. No position with a fixed salary shall be supplemented or be paid more than such specific amount out of any other funds belonging to said institution of the State; provided, that this language shall not be construed to prevent promotion

or the transfer of one employee from his or her position to another position which provides a different salary, but it is specifically made the duty of the Superintendent, to transfer employees to other positions when it is possible to secure more efficiency. No salary shall be paid to any person unless such person actually discharges assigned duties. Provided that one salary at the Galveston State Psychopathic Hospital and any vocational instructional positions at the eleemosynary institutions conducting schools may be partly paid or supplemented in amounts approved in writing by the Board of Control out of Federal or State appropriations or allocations made through educational agencies.

(c) The amounts appropriated in this Act are intended to cover and shall cover the entire cost of the items, and shall not be supplemented except as otherwise provided. It is especially provided hereby that all contracts and undertakings entered into, under and by virtue of the terms hereof, for specific improvements, enlargements, and repairs on buildings and grounds, and for the construction of new buildings, shall be made strictly within the limits and terms of the appropriations made for such purposes, and it shall be the duty of the Board of Control, in the consideration and adoption of plans, specifications and contracts therefor, not to exceed such appropriations, nor to incur any obligations in excess thereof. It is provided, however, that the Superintendents of said institutions, under the direction and upon the written approval of the State Board of Control shall be authorized to make such changes and substitutions of any amounts appropriated for maintenance, miscellaneous items, general repairs and improvements, excepting new buildings, as may be found necessary. Appropriations for buildings shall include utility connections and equipment, and buildings and improvement appropriations made for the Austin State School (Main) and for the Austin State School Farm Colony may be used at either institution by order of the Board of Control. To provide for any further advance in the present cost of construction the Board of Control is authorized to supplement building appropriations at any of the institutions from any non-salary available appropriations or local funds by not exceeding eight (8%) per cent. The Board of Control, within their discretion, may have all plans prepared, bids advertised and contracts let so that the buildings may be placed under construction beginning on September 1st of the fiscal year for which the appropriations are available.

(d) Each of said institutions is hereby allowed from its support and maintenance or other appropriations a small revolving or petty cash expense fund not to exceed, at any time, Two Thousand (\$2,000.00) Dollars at the larger institutions for the purpose of making emergency payments and purchasing perishable products, and the amount allowed each institution shall be certified by the Board of Control. Also each institution operating small stores, industrial or occupational departments, including the Dairy Products Plant at the Austin State Hospital, are hereby allowed revolving cash expense funds out of the respective institution's industrial or occupational deposits or receipts for the purpose of making emergency expenditures necessarily incurred in connection with the institution's industrial, occupational and other necessary activities, in amount not to exceed Three Thousand (\$3,000.00) Dollars at the larger institutions except not exceeding Six Thousand (\$6,000.00) Dollars at the Austin State Hospital's Dairy Products Plant, and not to exceed One Thousand (\$1,000.00) Dollars in the smaller institutions, the amount for such purposes to be certified by the Board of Control.

(e) In order that better trained and more capable physicians may be secured and retained in the State service, the institutions for the insane, with the Board of Control's approval, may classify the physicians on the staff as "Senior" and "Junior" Physicians; and pay the Junior Physicians not exceeding \$2,400.00 per year, and the Senior Physicians who have had two years experience as a physician or surgeon in State or Psychopathic institutions, \$2,500.00 per year for the third year's service, and \$2,600.00 per year for the fourth year and additional years service; and with the other emoluments provided herein. This shall not apply to physicians with administrative and other duties whose salaries may be specifically appropriated for larger amounts.

Revolving Fund and Institution Receipts. (a) No property belonging to any of the institutions shall be sold or disposed of without the consent of the Board of Control; and all proceeds from the sale of any such property, from labor performed, from the sale of crops and pay-inmate receipts, shall become and are hereby appropriated as a maintenance or contingent fund to be expended under the direction and upon approval of the State Board of Control.
